

ATTENTION COLORADO SWINE EXHIBITORS

With the recent formation of the Colorado Junior Swine Association, junior swine exhibitors ages 5-21 will now have added incentive to be more actively involved during the spring and summer open show circuit. The CJSA will be comprised of several sanctioned shows, and seeks to provide exhibitors with a network of support and opportunities to gain valuable leadership skills and knowledge of the purebred and show pig industries. The CJSA season will take place from mid April (NJC show) until the final sanctioned event (TBA). Points will be accumulated at each show which the exhibitor participates and will result in the awarding of several exciting prizes at a banquet tentatively scheduled during the Colorado State Fair. Members will be competing for awards in multiple categories including breed classes, showmanship for each age division, and an overall category. Age divisions will be as follows: Novice 5-8, Junior 9-12, Intermediate 13-16, and Senior 17-21. Membership fees are \$35 per year and include a CJSA t-shirt. Any prospective members, age 16 and over, who are interested in being part of the Junior Board, please send your contact information to coswine@gmail.com.
